

## President's Message

June 2010

Summer is finally here and thoughts for many families turn to vacations, some time off, no school, gathering with friends and relatives and sometimes just trying to stay cool. The wonderment of God's creation is around us in full bloom and he meant for us to enjoy and embrace his world and the seasons.

Thus far in 2010, this has been a year of very positive transitions for Trinity and the GTZ Parish. We are learning how to move forward with these changes and how to support Pastor Kurt and each other in this new environment. I wish to thank all of you who have volunteered your time so generously. Working together in Christ is encouraging and empowering.

During the summer months, God's work continues at Trinity. We are preparing for vacation bible school, planning summer worship, serving meals at Loaves and Fishes and reaching out to minister to members and non-members who need our help, prayer and support.

Please remember to mark your calendar for Wednesday, June 30<sup>th</sup>. At 6PM, we will be having the installation of our three pastors for the GTZ Parish at Zion. This is an important day for both Trinity and you and will be a wonderful evening.

I hope that all of you have an enjoyable summer and see each other often at both worship and the many events planned during the next few months.

Yours in Christ,

Tom Scheuerman
